

FORT WORTH MUSEUM SCHOOL®

Fall/Spring 2018-2019

Ages 3 through 6

**What extraordinary
learning is all about!**

For more than 68 years, Museum School has been opening young minds to a world of natural wonder. Founded in 1949, the program was first called the “Frisky and Blossom Club.” Today, Museum School continues to be a national model for informal science education. The curriculum combines natural and physical science, history and anthropology with art, music and literature. The playful learning environments are supported by specimens and artifacts from both science and history teaching collections.

The richness of real objects, plus curatorial support and a dedicated staff ensure first-hand, developmentally-appropriate learning experiences that enrich children’s lives.

FORT WORTH MUSEUM
SCIENCE AND HISTORY

Engaging Learning Experiences

Each week, Museum School class topics and activities for all ages change or build on each other, taking children on an exciting journey of investigation and discovery.

Three-year-old children become familiar with individual animals - what they look like, what they eat and the kind of homes they prefer. They soon learn the differences between mammals, reptiles, birds, insects and other animals.

Four-year-old children find out how individual animals with similar characteristics are grouped into families. Their curriculum includes many other topics such as simple machines, earth science, Native American cultures and early Texas settlers.

The curriculum for five-year-old children introduces the concept of habitats and the interdependence of all living things. Caves, deserts, forests, prairies and space are just a few of the exciting topics that reinforce the idea that there are many types of environments, all with their own unique features. Children who are age five and six have additional choices of classes which are listed on the following page.

Fort Worth Museum School is proud to inspire over six decades of early learners and their families. We hope you will join us this year!

Museum School® Fall/Spring 2018-2019 Class Schedule

Classes meet once a week from the week of September 10, 2018 through the week of May 13, 2019. To be eligible for enrollment, children must be 3, 4, 5 or 6 years of age by September 1, 2018, and must be completely toilet-trained. The schedule below shows classes, tuition, days and times offered for each age. Tuition payment information is listed on page 4.

"Stay and Play" is an optional after-school opportunity for four-year-olds enrolled in a Tuesday or Wednesday afternoon class and five-year-olds enrolled in a Tuesday afternoon class or the Wednesday "Museum Explorers" class. Each week, "Stay and Play" offers experiences that include guided indoor and outdoor play, creative activities and visits to various areas of the museum. A snack of popcorn is provided along with 4 pm curbside pick-up for parents. (Week-to-week or last-minute registration is not available.)

"Museum School Explorers" is an extended-day class for five-year-old children that features a more concentrated learning focus, delving deeper into the habitat topics and environment concepts of the half-day curriculum for five-year-olds. (Students should bring a non-perishable, peanut/tree nut-free lunch and drink.)

Museum School STEM Crew

A program for six-year-old homeschooled children

STEM stands for **Science, Technology, Engineering** and **Math**. STEM is everywhere - in nature and in the machines that we use. Young students already have experience with STEM through activities like rolling balls down ramps, weighing, pouring and designing and planning structures. This class will introduce the concept of the Engineering Design Process - a way that student teams can work together to solve fun engineering challenges. This class will meet two mornings a week and each week features a different topic to explore. The Museum's science and history artifacts are used and creative activities are included.

Registration Information

Register Now by Fax, Email or Mail

Print and complete the registration form found on the last page of this brochure. One registration form must be completed for each student. Registrations may be submitted by fax, email, mail or phone. **Please use only one method of registration. In-person or drop-off registration is not available.**

If your child is registering with a friend, make that indication on the registration form in order to get them both in the same class. (The friend must also be the appropriate age/grade for the class.)

- **Faxed registrations** require the use of a credit card. Completed registration forms should be faxed to
Museum School 817-255-9519

- **Emailed registrations** require the use of a credit card. Write "Museum School Registration" in the subject line and email the completed registration page **as an attachment*** to
museumschool@fwmsch.org

** Emailed registrations should be saved as an attachment. PLEASE DO NOT SEND PHOTOS OF REGISTRATIONS.*

- **Mailed registrations** require a check or credit card. Completed registration forms should be mailed to
Museum School
Fort Worth Museum of Science and History
1600 Gendy Street
Fort Worth, Texas 76107

- **Phone registration begins March 20, 2018** and requires the use of a credit card. Have your information ready and call the Museum School office at 817-255-9333 during business hours, Monday - Friday, 9 am - 4 pm.

If the first class choice is unavailable, the second choice of class will be used. If there is no second or third choice indicated on the registration form, a wait list notification will be sent in lieu of a confirmation (tuition is not due until a child is enrolled.) Registrations that are not accompanied by payment cannot be processed.

General Information

Students enrolled in the current Fall/Spring 2017-2018 Preschool school year (and/or their age-eligible siblings) may pre-register for the Fall/Spring 2018-2019 program. Some classes may have limited or no available places when open registration begins.

Class changes are made on a first-come basis. Because most classes have a waiting list after registration, a registration may not be transferred to another child nor may children switch places in classes.

Museum School attempts to maintain an equal ratio of boys and girls in all classes. However, the demand for enrollment occasionally results in classes that are not coeducational. Museum School admits students of any race, nationality or ethnic origin.

Scholarships

A limited number of full and partial scholarships are awarded on financial need and will be given on a first-come basis. Museum School class scholarships are for tuition only and do not cover the \$50 non-refundable registration fee, which must be paid by the applicant. (A child who receives a tuition scholarship for the Fall/Spring 2018-2019 school year will not be eligible for a Summer 2019 scholarship.)

To apply for a scholarship, download and print the application and instructions from the Museum's website:

fortworthmuseum.org/museum-school-preschool-program

The scholarship application and \$50 registration fee should be included with registration form and may only be faxed or mailed to the Museum School office (online registration is not available.) Write "applying for a scholarship" on the payment portion of the registration.

Scholarship approval waives the tuition only and does not guarantee placement in a class. In the event your choices of class are full the registration fee will be returned and your child will be added to the wait list.

A class and scholarship award confirmation will be mailed soon after the registration is received.

Refunds

Request for tuition refunds (less the \$50 registration fee) must be made in writing. Refund requests for tuition must be received in the Museum School office by July 13, 2018 for the first half of the year and by December 31, 2018 for the second half of the year. Refunds are made in the original form of payment.
