Mad Scientist Ball is the Fort Worth Museum of Science and History's signature annual fundraiser and one of the most unique parties in town! With more than 300 influential business and community leaders enjoying competitive live and silent auction bidding, this celebration with delectable food and amazing entertainment will be a night to remember. We invite you to partner with us for a creative marketing and philanthropic opportunity!

Will you consider contributing to this fabulous fundraiser as an in-kind auction donor for this year's Mad Scientist Ball?

This sensational soiree will be held on Saturday, September 30, 2023, at the Museum. Your generous donation will help ensure that we can continue our 80-year tradition of providing extraordinary learning environments and inspiring programs that bring science and history to life!

As an in-kind donor, you will increase your visibility and exposure to current and potential customers while demonstrating your support of the Museum's mission and vital role in the community. Your commitment as a generous donor will be recognized with your donated item(s) on the evening of the event, as well as on our website, in social media and event marketing.

For your convenience, a donation form is attached with this letter. If you have any questions or require additional information, please contact Jennifer Hill at 817-255-9343 or jhill@fwmsih.org.

Thank you for your generous support. We could not accomplish all that we do without you!

Sincerely,

Tammy McKinney
Vice President of Development & Marketing
Fort Worth Museum of Science and History
