

FORT WORTH MUSEUM
SCIENCE AND HISTORY

FOR IMMEDIATE RELEASE
June 8, 2018

The Original Pop Up Returns! It's Bubble Festival! *Bubbles Meet Science on Saturday, June 23*

Fort Worth, TX - Have a suds-filled summer at the Fort Worth Museum of Science and History's Bubble Festival! The festival brings together aspects of bubble science in a fun-filled festival perfect for all ages. In addition to learning about the science of bubbles with hands-on activities, guests can also check out live demonstrations at the Museum with Super Cold Bubbles and the Exploding Bubbles Show.

Bubble Festival offers something fun for all aspiring bubble scientists to enjoy. Guests will be blown away by the sheer amount of experiments available.

- Make your own Bubble Wand
- Giant Bubbles
- Bubbles in Space
- Bubble Wrap Experiments
- Food with Bubbles
- And so much more!

Bubble Festival will be held on Saturday, June 23 at the Museum with activities beginning at 10 AM and continuing until 4 PM. Learn more about the event [here](#). All activities and demonstrations are included with regular Museum exhibit admission.

About the Fort Worth Museum of Science and History

The Museum was established in 1941 and is accredited by the American Alliance of Museums. Anchored by its rich collections, the Museum is dedicated to lifelong learning. It engages guests through creative, vibrant programs and exhibits interpreting science and the history of Texas and the Southwest. The Museum is open daily, except Thanksgiving, Christmas Eve and Christmas Day. Visit www.fortworthmuseum.org for more.
