You Can Keep Museum Programs On the Road
Donate on North Texas Giving Day to Stretch Your Dollar

Fort Worth, TX - Every year, hundreds of thousands of students, their families and teachers explore the Fort Worth Museum of Science and History firsthand. Did you know that thousands more experience the Museum without ever leaving their campuses?

This year, on North Texas Giving Day on September 20, the Museum will raise funds for new vehicles to keep our outreach programs moving. We have the enthusiastic and talented educators to drive these important STEM programs - we just need new vehicles to get us there!

North Texas Giving Day makes your donation go further! Every donation is eligible for bonus funds. Giving begins at 6 AM on September 20. You can also schedule your gift between September 10 and September 19.

Communities Foundation of Texas' North Texas Giving Day is an 18-hour online giving event designed to empower every person to give back to their community by supporting local nonprofits and causes they care about in one easy-to-use platform. North Texas Giving Day is the largest community-wide giving event in the nation.
