Take a Technological Journey at Science on Tap!

Fort Worth Museum of Science and History's 21+ Event Features the Latest Industry Innovations

Fort Worth, TX - Bored of the regular bar scene? Amplify your date night or friends' night out at [Science on Tap: Hi-Tech](#)! The Fort Worth Museum of Science and History's 21+ event is back to take you on a technological journey through intriguing industry innovations on Friday, August 16 from 7 - 10 PM.

Science on Tap: Hi-Tech allows guests to explore the world of tomorrow, today! The adults-only event features technology from the past, present and future to provide a comprehensive adventure through the science and history of the tech world. Virtual reality will put unimaginable adventures right at guest's fingertips, simulations will make them soar and delightful technology from the past will take guests back to yesteryear.

Those guests that want a deeper dive into technology can keep their Science on Tap tickets to receive free admission to [Infinity Festival](#) on Saturday, August 17 or Sunday, August 18. The festival explores the latest advancements in virtual reality and immersive technology.

General admission and VIP tickets are now available for purchase for Science on Tap: Hi-Tech. General admission is \$20 and VIP is \$30. VIP tickets allows guests into Science on Tap: Hi-Tech an hour early at 6 PM to have first access to activities, local artisans and the bar. VIP tickets also include special, VIP-only activities throughout the evening.

Guests who purchase their tickets in advance will receive one free drink ticket with general admission or two free drink tickets with VIP!* Remember, it's okay to be a kid at heart, but a valid 21+ ID is required to attend Science on Tap: Hi-Tech. Buy your tickets now [here](#)!

**Wine, beer, soda and water. Ticket must be purchased by 5:30 PM on Friday, August 16.*
