All ages of Girl Scouts are welcome to spend the afternoon creating SWAPS and exploring Museum exhibits.

What is a SWAP? It's a small token of friendship to exchange with the Girl Scouts they meet while traveling. These little gifts are called "SWAPS," which stands for "Special Whatchamacallits Affectionately Pinned Somewhere."

Before you come:

Create at least 10-15 SWAPS with your troop or family prior to your visit to trade at the end of the event

Check in:

Check in will be at the Fort Worth Museum of Science and History anytime between 10:00 - 11:00 am. You will receive a wrist band and your fun patch. Wristbands are required to enter the SWAP event space.

Visit:

Both the Fort Worth Museum of Science and History and the Cowgirl Museum and Hall of Fame will be open. Visit the different museums to create your own SWAPS and tour exhibits. There are SWAP stations at each museum. Lunch will be on your own. Your event wristband will allow you to visit both museums until closing.

Time to trade:

Meet in the National Cowgirl Museum and Hall of Fame at 1:30 pm to swap the SWAPS you made prior to your visit with other Girl Scouts.
