

MEMORY CARE PROGRAMS

The Fort Worth Museum of Science and History offers Memory Care programs on site at your facility. We have both hands on activities for your residents as well as our Life Science Lecture Series that can be modified to fit the needs of your residents. Both programs are \$125 per hour. Travel fees may be associated with programs outside of Tarrant County.

HANDS-ON MONTHLY ACTIVITIES CAN INCLUDE:

Sensory Bottles

Sun Catchers

Mason Jar Aquariums

Tissue Paper Transfer

Marble Painting

Sharpie Chromatography

THE LIFE SCIENCE LECTURE SERIES MONTHLY TOPICS INCLUDE:

Desert Ecosystems

Texas Symbols

Trinity River Ecosystem

Dinosaurs

Texas Seashore

Fantastic Flyers

We would be happy to talk to you about our monthly offerings for both of these programs and work with you to meet the needs of your residents.

Please contact us at outreach@fwmsch.org or **817-255-9536** or **817-255-9522**, or fill out the Discovery Lab on Wheels Interest Form on our webpage if you are interested in booking a program.
