

# **Fall/Spring 2024-2025 Parent Handbook: Operational Policies**

Dear Parents,

For 74 years Museum School has introduced over 200,000 young children to the wonders of the world around them. The program's intimate classroom surroundings foster a love for learning... from the wondrous science specimens and historical artifacts from our large teaching collections to the early childhood master teachers who brilliantly connect children's imaginations to nature in their own backyard and times long ago. Young children are encouraged to discover and dream of one day becoming astronauts, engineers, historians, paleontologists and so much more through their encounters with real objects and real stories. Museum School prides itself on its developmentally-appropriate, experiential, engaging learning environments.

We appreciate our Museum School families tremendously. We look forward to fun-filled classes and welcoming your child to the 2024-2025 school year at Museum School!

Sincerely,

Amber Shive  
Vice President of Education  
[ashive@fwmsh.org](mailto:ashive@fwmsh.org)  
817-255-9416

Sarah Oliver  
Museum School, Preschool Director  
[soliver@fwmsh.org](mailto:soliver@fwmsh.org)  
817-255-9337

Paula Butts  
Museum School, Preschool Assistant Director  
[pbutts@fwmsh.org](mailto:pbutts@fwmsh.org)  
817-255-9335

## Philosophy

Museum School's discovery approach enhances a child's awareness of the world. The curriculum combines natural and physical sciences, history, and anthropology with art, music, and literature.

## Goals

Children will have first-hand experiences.

Children will develop an appreciation for the natural world.

Children will begin to construct their own knowledge.

Children will gain skills in listening and language acquisition.

Children will creatively express themselves through music, art, and drama.

# OPERATIONAL POLICIES

The Fort Worth Museum of Science and History has an established blueprint for the way it conducts its daily business and treats visitors and program participants. The following are the Operational Policies for Museum School® Fall/Spring 2024-2025 Classes, effective May 30, 2024. **The policies may change at any time for any reason; families will be notified of revised editions and updates will supersede previous versions.**

## Months, Days and Hours of Operation

Fall/Spring Museum School begins in September and ends in May each school year.

## Days and Hours of Operation

### Morning Classes

Tuesday through Friday: 9:00 AM - 11:30 AM

### Afternoon Classes

Tuesday through Friday: 12:45 PM - 2:45 PM

### Extended Day Classes

Tuesday through Friday: 9:00 AM – 1:55 PM

## General Information

### Museum School Office Hours

Monday through Friday: 8:15 AM - 4:00 PM

### Museum School Telephone

817-255-9333

### Museum School Email

museumschool@fwmsb.org

### Museum School Address

1600 Gendy Street  
Fort Worth TX 76107

## CHILD CARE REGULATION

A paper copy of the *Museum School Fall/Spring 2024-2025 Parent Handbook* is available upon request.

The [Child Care Minimum Standards](#) are linked in this document and are available in the Museum School Office. The following items are available for review in the Museum School Lobby: the most recent Texas Health and Human Services Inspection Report, Tarrant County Health Department report, contact information for the local Child Care Regulation office, access to Texas Abuse and Neglect Hotline and access to the Texas Health and Human Services website.

In accordance with Regulations, parents may visit Museum School at any time.

Contact the Department of Family and Protective Services at 1-800-252-5400 or by visiting [https://www.dfps.state.tx.us/contact\\_us/report\\_abuse.asp](https://www.dfps.state.tx.us/contact_us/report_abuse.asp) to report abuse or neglect.

### Local Regulation Office and the Website information:

## 1 DEFINITIONS

The terms **parent(s)**, **families**, and **guardian(s)** are interchangeable in this document and refer to any individual who has custodial care of a child or children enrolled in Museum School.

Museum School **staff** and Museum School **teachers** are interchangeable in this document and refer to any employee of the Fort Worth Museum of Science and History Museum School.

The **school year** and **Fall/Spring 2024-2025** are interchangeable and refer to the same period of time.

**Coronavirus** and **COVID-19** are interchangeable and refer to the same illness.

## 2 ENROLLMENT INFORMATION

For a child to enroll, parents must complete an online Museum School Enrollment Form. Parents are notified with an Admission letter by email. Any changes in enrollment procedures will be posted on the Museum School website and emailed to parents.

### 2.1 Schedule of Classes

2024-2025 Schedule of Classes *All Classes Meet One Day a Week*					
AGE GROUP	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Age 3 (by 9.1.24)	n/a	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM
Age 4 (by 9.1.24)	n/a	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Extended Day 9:00 AM – 1:55 PM <b>OR</b> Afternoon 12:45 PM – 2:45 PM
Age 5/6 (by 9.1.24)	n/a	Extended Day 9:00 AM – 1:55 PM	Extended Day 9:00 AM – 1:55 PM	Extended Day 9:00 AM – 1:55 PM	Morning 9:00 AM – 11:30 AM <b>OR</b> Afternoon 12:45 PM – 2:45 PM

## 2.2 Enrollment Requirements

In keeping with the guidelines of the Child Care Regulation division of the Texas Health and Human Services, Museum School requires the following information and forms be submitted by **August 2, 2024** or 7 days prior to the child's first day of class for children with August birthdays.

- **Museum School Enrollment Form** (online), including Immunization and Hearing/Vision Acknowledgement, Physician's Information, Medical Authorization, Statement of Health Acknowledgment, and Field Trip/Water Play/Photography/Class List Waiver.
- **Current Immunization Record** signed and dated by a medical professional with the medical professional's address and phone number; or a signed, dated and notarized Official Exemption Affidavit from the Texas Department of State Health Services exempting the child from Texas immunization requirements. Information about immunization requirements can be found [HERE](#). Information about Exemption Affidavit requirements can be found [HERE](#).

As children receive updated immunizations during the school year, please email a digital copy of the record to [registermuschool@fwmschool.org](mailto:registermuschool@fwmschool.org).

In the event a vaccine-preventable disease occurs in the program, children who are not immunized for the disease will not be able to attend class.

- **Vision and Hearing Screening Results** (if age 4 by September 1, 2024); or a signed, dated and notarized affidavit stating that the vision or hearing screening conflicts with the tenets or practices of a church or religious denomination of which the child is a member.
- **Statement of Health** signed by a health-care professional who has examined the child within the past year, indicating that the child is able to take part in the program.
- **FARE Allergy Action Plan** (if applicable)

## 3 STUDENT ATTENDANCE

Please notify the Museum School Office via email or the Procare® app if you will be late or if your child will be absent.

### Important Dates

August 27 - 30	Meet the Teacher
September 3 - 6	First Week of Classes
October 1	Fall Open House
November 26 - 29	Thanksgiving Break
December 17 - January 3	Winter Break
January 20	Fall/Spring 2025-2026 and Summer 2025 Registration opens for Current Families
February 4 - 7	Stock Show Break
March 18-21	Spring Break
April 16	Spring Open House
May 6 - 9	Last Week of Classes

## 4 TUITION

### 4.1 Payments

Class Time	Non-Refundable Registration Fee	Tuition	Total Class Fee	3 Equal Payments
<b>Morning Class</b> 9:00 AM – 11:30 AM One Day a Week	\$150	\$1080	\$1230	\$360
<b>Afternoon Class</b> 12:45 PM – 2:45 PM One Day a Week	\$150	\$867	\$1017	\$289
<b>Extended Day</b> 9:00 AM – 1:55 PM One Day a Week	\$150	\$2169	\$2319	\$723

A child's annual tuition will be divided into 3 equal payments (as noted above). The non-refundable registration fee will be invoiced within 24 hours of receiving an Admission Letter.

An invoice will be generated through Procure® for the Registration Fee and each of the 3 non-refundable equal payments. **The first tuition installment will be invoiced with a due date of July 12, 2024. The second tuition installment will be invoiced with a due date of September 6, 2024. The final installment will be invoiced with a due date of November 8, 2024.**

The child's placement will be relinquished if the registration and/or tuition fees are not paid within 2 business days of the due date listed on the invoice.

Families are able to enable auto-pay in their Procure® account. When auto-pay is enabled, for every billing cycle, the full available balance will be pulled from the account on the due date listed on the invoice. Click [HERE](#) for detailed Procure® instructions.

A \$25 fee will be incurred for returned ACH payments.

### 4.2 Refunds and Withdrawals

CIRCUMSTANCE	REFUND & WITHDRAWAL POLICY
A parent wishes to withdraw their child from class for the 2024-2025 school year.	<p>Tuition is divided into 3 equal payments (<a href="#">see Section 5.1 Payments</a>). Each payment is non-refundable.</p> <p><b>July 12, 2024</b> The deadline to withdraw from the full school year, before the first tuition payment is due.</p> <p><b>November 8, 2024</b> The deadline to withdraw from the remainder of the school year, before the final tuition payment is due. A child who is withdrawn by November 8, 2024 may attend his/her class through the week of December 10-13, 2024.</p>
A child is absent from classes for <b>any</b> reason.	No refunds or make-up days will be offered.
Museum School cancels class for inclement weather.	No refunds or make-up days will be offered.
Museum School cancels class for <b>any</b> reason other than inclement weather.	No refunds or make-up days will be offered.
The Museum School program does not begin as expected in September, must be delayed or canceled <b>at any time, for any reason</b> .	The Museum School program requires an investment in staff training, planning, and preparation of classroom materials and supplies. Therefore, no refunds or make-up days will be offered.

Withdraw notification for either the July 12, 2024 or the November 8, 2024 deadlines must be sent by email to [museumschool@fwmsch.org](mailto:museumschool@fwmsch.org) by the deadline date.

*Note: It is not possible to predict classes that may close or the length of a closure if there is a positive case of COVID-19 at Museum School; siblings in the program, carpooling families and many other factors will be taken into consideration. Child Care Regulation, Texas Health and Human Services, and/or the Tarrant County Health Department will be consulted regarding a closure. It is crucial that parents understand the Refund and Withdrawal policy entering into the school year.*

5.30.2024 (revised page 18, Curriculum Schedule, on 8.14.2024)

## 5 SECURITY / CHILD SAFETY / DROP-OFF AND PICK-UP

**Parents must complete the Authorized Pick-Up information upon enrollment.** The information must include a list of parent(s)/guardian(s), emergency contacts, and all other designated drivers (carpool drivers, relatives or friends) who might assume responsibility for the child.

**Children will be released only to those people who are listed as Authorized for Pick Up.** Anyone picking up for the first time, other than the child's parents, will be asked to show a picture identification or provide a Procure<sup>®</sup> pin.

	Method of SIGN IN and OUT
Parents/Guardians	use the Procure App.
Caregivers	scan the QR code and enter their PIN number or provide the PIN number to a staff member.

Procure<sup>®</sup> PIN numbers for all authorized individuals can be located in your child's Procure<sup>®</sup> account (see [Procure<sup>®</sup>](#)). Changes or additions to the release form should be made by clicking [HERE](#). Procure<sup>®</sup> is not set up for parents to edit authorized individuals (or other personal information) so that the office has the most current information on file for your child.

In case of non-custodial parents, a copy of the custody and visitation papers must be on file in the Museum School office.

During operational hours, the doors at the main entrance to Museum School will remain locked. If a parent needs access to the Museum School, the doorbell may be used (located on the north wall outside the Museum School entrance), or the parent may contact the Preschool Director via the Procure<sup>®</sup> app.

### 5.1 Drop-off and Arrival Procedures

Families will park in the Museum School Parking Lot during arrival and dismissal.

Class	Arrival Window for Parking Lot Gate	Dismissal
<b>Morning</b>	8:45 AM – 9:10 AM	11:30 AM
<b>Extended</b>	8:45 AM – 9:10 AM	1:55 PM
<b>Afternoon</b>	12:35 PM – 12:50 PM	2:45 PM

The plan\* is for parents/caregivers to walk children to and from their classroom, in the same way children were greeted during the 2023-2024 school year. At dismissal time, parents/caregivers will park in the Museum School lot and walk into the school to pick children up from their classrooms at dismissal time. A map of the drop-off car line is provided in [Appendix B](#).

*\*This plan is subject to change at the discretion of the Museum School administrative team.*

### 5.2 Late Arrival/Pick-Up

It is important for children to arrive on time and be picked up promptly. In the event that drop-off has ended, please send a Procure<sup>®</sup> message. A Museum School staff member will greet families on Gendy Street at the end of the Museum School sidewalk (at the brick walkway to Will Rogers).

It is imperative that children are picked up promptly at their dismissal time (morning class: 11:30 AM; extended day class: 1:55 PM; afternoon class: 2:45 PM). A \$25 late fee will be imposed after the 3<sup>rd</sup> occurrence of a parent/caregiver not being present to pick the child up from class at the designated dismissal time.

### 5.3 Museum School Sculptures

Museum School has been the beneficiary of several generous donations of whimsical outdoor sculptures, all of which are on display in front of the Museum School entrance. As works of art, **the Dr. Seuss sculptures are not meant to be climbed on.** Please help your child respectfully observe these pieces of art without climbing.

## 6 HEALTH AND WELLNESS

Museum School is a **WELL CHILD** facility. If you suspect your child is sick or may be coming down with an illness, the child must remain home to prevent the spread of infection. Tylenol, Advil or any other fever reducing medication may not be administered prior to sending a child to class. Medications given *for any reason* may mask symptoms related to communicable diseases and place other children at risk of becoming ill.

The Museum School staff will not administer over-the-counter medication, sunscreen, insect repellent, vitamins or supplements. Please administer these substances prior to leaving home.

The Museum School staff will only administer prescription medication in a medical emergency to prevent serious bodily injury ([see Section 7.3: Epinephrine & Medical Emergencies](#)).

Parents must note any medical conditions or special situations on their child's Enrollment Form. If a child has a special medical situation or condition that is not listed on the child's Enrollment Form, the parent should contact the Museum School office **prior to the first day of class or as soon as possible with a new diagnosis** to discuss the child's condition. Museum School does not have a medical professional on staff; therefore, the administration and care of a medical condition may be outside of the scope of the Museum School staff.

Museum School staff and children are encouraged to practice healthy behaviors (for example, staying home when they are sick, covering coughs and sneezes with a tissue or the inside of their arm, and frequently washing hands). ([see Section 2: Hand Hygiene Procedures and Family Partnership](#)) Tissues and hand soap are available in all classrooms and hand sanitizer is used if hand washing is not possible. Frequently touched surfaces are cleaned routinely and items are sanitized in accordance with health department guidelines. ([see Section 2: Cleaning and Disinfecting](#))

### 6.1 Family Partnership

Maintaining a safe and healthy learning environment is a partnership. Each family plays a significant role in maintaining the safety and health of all children and staff participating in Museum School classes. Please consider the following practices prior to your child attending class at Museum School.

- ❖ If you have knowledge of or suspect that your child has: 1) ingested a foreign substance or object, or 2) stuck a foreign object in their nose, ear or mouth, please seek medical advice and monitor your child at home before they return to class.
- ❖ Monitor your child's temperature before leaving for class. If your child's temperature is 99.5°F or higher, do not send your child to class.
- ❖ If your child's eating habits have changed, they are vomiting or have diarrhea within 24 hours of attending class, regardless of the potential cause, do not send your child to class. Keep the child home and monitor them for illness.
- ❖ If there is any possibility or question that your child may be coming down with an illness of any kind, do not send them to class in order to protect other students, families and staff from being exposed.
- ❖ Have a conversation with a medical professional if you are concerned that your child has an increased risk for severe illness if COVID-19 is contracted. Increased risk may include cardiovascular disease, respiratory disease including asthma, diabetes, and immunocompromised systems, among others.
- ❖ Keep your child home if they have had close contact with someone exposed to or infected with COVID-19 in the past 10 days.

The Museum School staff monitors changing guidelines and protocols for COVID-19 and other communicable diseases. All Museum School staff members are required to complete training for infection control. Although Museum School is implementing infection control strategies, sending a child is not without risk. Please contact the Museum School office with questions or concerns. [museumschool@fwmsch.org](mailto:museumschool@fwmsch.org) 817-255-9333

### 6.2 Required Medical Forms

[see Section 3: Enrollment Information](#)

### 6.3 Hand Hygiene Procedures

Children and staff will wash hands in accordance with Child Care Regulation guidelines.

## 6.4 Cleaning and Disinfecting

Classrooms and restrooms will be cleaned and disinfected on a daily basis. Surfaces and objects that are frequently touched will be cleaned and disinfected routinely.

Cleaning materials will not be used near children and will be stored out of a child's reach.

## 6.5 Epinephrine & Allergic Reactions

A FARE Allergy Action Plan must be submitted with a physician and parent signature in the event a child requires epinephrine or medication for allergic reactions.

Medication for a medical condition that may cause severe bodily harm must be authorized by the child's parent in writing with a signature and date of the request.

- Over-the-counter allergy medication must be in its original container labeled with the child's full name and will be given as stated on the label directions unless amended in writing by the child's medical professional.
- Prescription medication must be in the original container with the child's full name and dosing instructions on the label.

It is recommended that medication stay at Museum School for the duration of the school year; however, parents may choose to take it home and return it weekly.

## 6.6 Accidents & Medical Emergencies

It is important to act quickly and surely on behalf of the child. A first aid kit is kept in each classroom and the office for cuts and scrapes. Parents will be provided an Incident/Illness Report in the case of illness or injury. The form must be signed by the Museum Preschool Director or Assistant Director and the parent/guardian.

In the event medical care is required, Museum Security will be notified. If an accident requires transporting to an emergency room, 911 will be called with instructions to transfer to **Cook Children's Medical Center located at 801 7th Ave, Fort Worth, TX 76104**. Parents or the emergency contact will be notified immediately in the case that emergency care is required. If a staff member deems it is necessary to call 911, the call will not be canceled under any circumstance. An AED device is located outside of the Museum School office.

## 6.7 Illness/Communicable Diseases

Please contact the Museum School office about specific illnesses. A child with a communicable disease may return with medical documentation from a physician indicating the child is no longer contagious. Museum School must be notified if a child has a communicable disease, such as (but not limited to) COVID-19, streptococcal sore throat, fifth disease, conjunctivitis, mumps, measles, chickenpox, etc. (see [Texas Administrative Code Title 25, Chapter 97](#))

Museum School reserves the right to discontinue any class or the entire program at any time with less than 24-hour notice. Families must have the ability to pick children up from Museum School **within 20 minutes of receiving a phone call**.

Exclusion of an ill child from attending Museum School is determined by whether or not –

- the child can participate in the activities planned for the day in his/her classroom/age group
- the child requires more care than the staff can provide without compromising the care/needs of other children in the class
- keeping the child in care will pose an increased risk to other children and adults

**Museum School staff reserve the right to deny admittance for the day if a child's health or physical condition may pose a health or safety risk to themselves or their classmates.**

If a child becomes ill or is not feeling well, the child will be assessed and the child's parent/guardian will be notified. The child may be provided with a mask.

<b>IF</b>	a child at Museum School is exhibiting signs of illness,	<b>THEN</b>	the parent or emergency contact will be contacted to pick up the child within 20 minutes of receiving notification.
	a child is experiencing any symptoms of COVID-19 or other communicable disease,		it is recommended that parents contact the child's medical professional and follow CDC and local health department guidelines.
	a child tests positive for COVID-19 within 48 hours of attending class,		the Museum School office <b>must</b> be contacted immediately; all parents in the school will be notified by email without disclosing the child's name; those in close contact will be notified separately by email; it may result in cancellation of classes.
	a child is ill and tests negative for COVID-19,		Please see <a href="#">Texas Administrative Code Title 25, Chapter 97</a> for readmission guidelines.
	a child tests positive for COVID-19,		<i>all three</i> of the following criteria must be met in order to return: 1. At least <b>24 hours</b> have passed since recovery (no longer running fever without the use of fever-reducing medications) 2. Improvement of respiratory symptoms (cough, shortness of breath, etc.) 3. At least 10 days have passed since symptoms first appeared
	a child is displaying symptoms of COVID-19 and does not get evaluated by a medical professional or tested for COVID-19,		the child may not return to Museum School until the same three steps mentioned above have been met. In the event that the three criteria are not met, a note from a medical professional must be obtained clearing the individual for return based on an alternative diagnosis.

**The COVID-19 and communicable disease protocols may change. The above statements and procedures are subject to change without notice.**

## 6.8 Lice

Parents are asked to notify the Museum School Preschool Director if their child has lice. A written notice will be provided within 48 hours to the parents of all children in a group when there is an outbreak of lice.

## 6.9 Outdoor Activities

Outdoor play will be limited when the weather conditions pose a health risk. Weather will be monitored and outdoor activities are at the discretion of the Museum School Administrative team. Children should be dressed appropriately to play outside when temperatures are above 40°F with a calm wind, when the heat index is below 96°F and when the air quality index is in the "good" to "moderate" range. Weather permitting, children will play outdoors every day. Shade is not always available; therefore, parents may choose to apply sunscreen with UVA and UVB protections of SPF 15 or higher to exposed skin prior to school. Staff may not apply sunscreen on children.

## 6.10 Therapeutic and Inclusive Services

In order to support families and children with special needs, Museum School welcomes the opportunity to partner with families to ensure the best educational environment for their child.

A licensed therapist or health care professional, independently contracted by a child's parents, may attend class in order to shadow and provide assistance to a child when the following criteria are met:

1. A background check is submitted by the therapist's or health care professional's employer.
2. An Affidavit for Employment is notarized.
3. A negative TB test is obtained.
4. The professional has attended an orientation with the Preschool Director.

Museum School will implement the guidelines outlined in [Child Care Regulations section 746.2202 \(page 124\)](#) in relation to planning activities for children with special needs.

## 6.11 Vaccine-Preventable Diseases for Employees

Museum School has implemented the following immunization policy for employees to be in compliance with the Texas Department of State Health Services which recommends employees receive the Hepatitis A, Influenza and Pertussis immunizations. While the safety of our employees and children in our care is paramount, immunizations for vaccine-preventable diseases are not required of Museum School employees at this time.

## 6.12 Abuse and Neglect

The Museum School employees are dedicated to preventing and responding to abuse and neglect of children. In the event of suspected abuse or neglect, it is the responsibility of the Museum School employee to contact the [Texas Department of Family and Protective Services \(DFPS\)](#) child abuse hotline at 800-252-5400.

Per the DFPS requirements, Museum School employees are required to complete annual training focused on prevention, recognition, and reporting of child abuse and neglect, including:

- 1) Factors indicating a child is at risk for abuse and neglect;
- 2) Warning signs indicating a child may be a victim of abuse or neglect;
- 3) Methods for increasing awareness of prevention techniques; and
- 4) Community organizations that have assistance and intervention programs.

A parent/guardian of a child who is the victim of abuse or neglect should call the child abuse hotline at 800-252-5400 or visit the Texas Abuse Hotline [website](#).

## 7 EMERGENCY PREPAREDNESS PLAN

Fire, severe weather and lock-down procedures will be reviewed with staff monthly. Fire and severe weather drills will be performed in compliance with Child Care Regulation guidelines.

Evacuation plans are posted in the classrooms. Each classroom is equipped with communication devices.

### 7.1 Fire

The Museum School Office will notify teachers when the “*Evacuate*” plan will be implemented. Teachers will calmly evacuate all children in accordance with the classroom’s evacuation route.

### 7.2 Severe Weather

The Museum School Office will notify teachers when the “*Shelter*” plan will be implemented. Teachers will calmly assemble all children in their designated shelter location.

### 7.3 Inclement Weather

If the Fort Worth Independent School District delays or cancels classes for the entire day, Museum School will cancel all classes. No refunds will be made or make-up days offered.

The Procure® app will be utilized to inform families of class schedule changes due to inclement weather.

## 8 COMMUNICATION

### 8.1 Parent Communication

Communication between parents and Museum School, teachers and staff, is extremely important. Teachers will use the Procure® platform to send weekly updates regarding the classroom curriculum. In addition, the Museum School newsletter – Turtle Talk – is published and distributed twice during the school year. The newsletter serves to inform parents of what has taken place in the classrooms, upcoming Museum School and Fort Worth Museum of Science and History events plus other beneficial information.

Museum School is committed to providing an exceptional learning experience for each child. Therefore, families are provided with an opportunity to provide feedback through a Family Survey in the fall and spring of each school year.

Changes in policy and procedures, notification of special events, holidays or other pertinent information will be sent to the primary email address on file from the Museum School office (museumschool@fwms.org).

Museum School will utilize the **Procure® app** for quickly informing families of an urgent message.

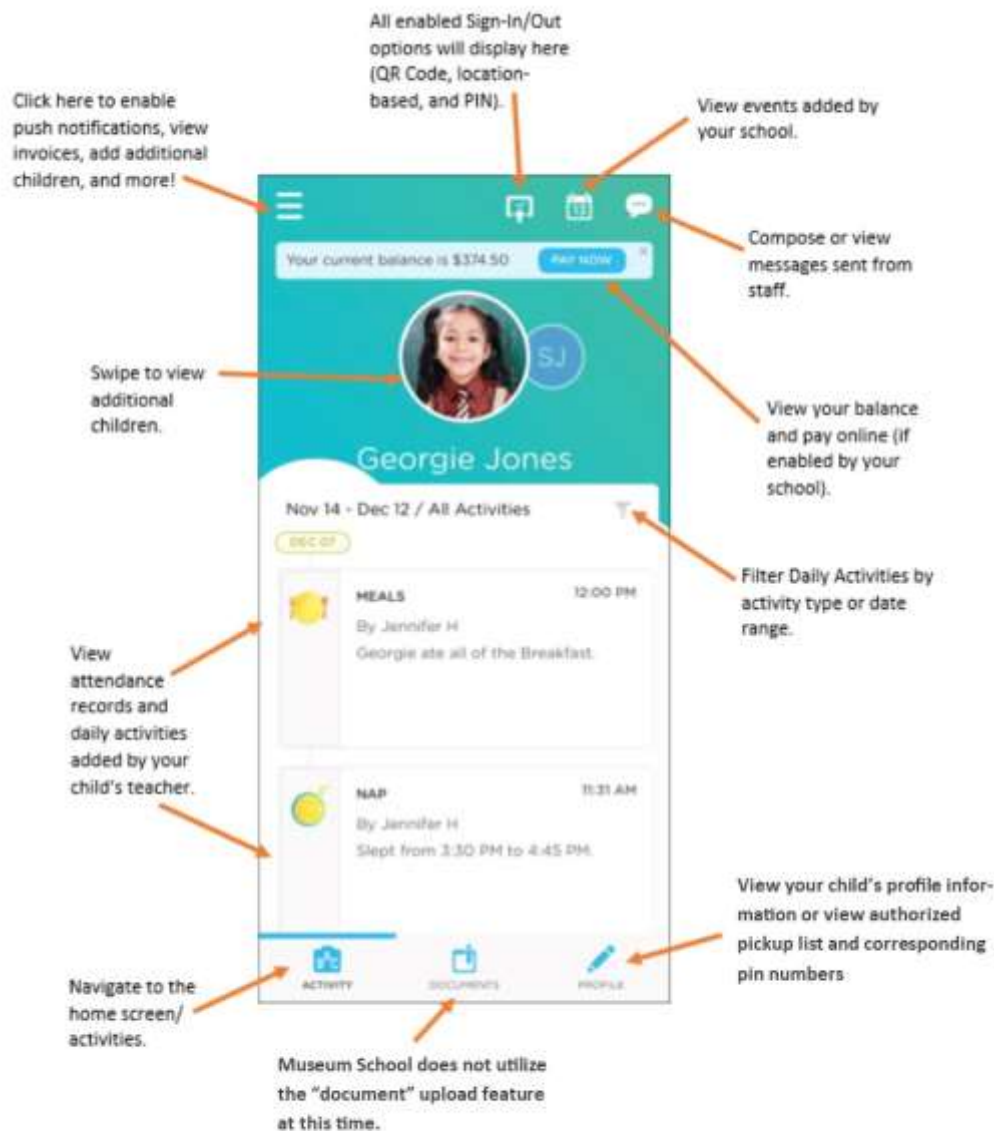

Families are encouraged to add the Museum School phone numbers (**817-255-9333/817-255-9337**) and [museumschool@fwmschool.org](mailto:museumschool@fwmschool.org) to their contacts in order to easily recognize a call or email from Museum School.

If a parent/guardian has a question or concern they may:

- 1) Contact the teachers and administration through their child's Procure<sup>®</sup> account. **This is the quickest method for reaching the Museum School administration. The phones are not monitored during arrival and dismissal.**
- 2) Contact the Museum School office at 817-255-9333 or [museumschool@fwmschool.org](mailto:museumschool@fwmschool.org).
- 3) Contact the Museum Preschool Director at [soliver@fwmschool.org](mailto:soliver@fwmschool.org) or 817-255-9337.

## 8.2 Procure<sup>®</sup>

Parents/guardians will receive an invitation from Procure<sup>®</sup> upon enrollment and are strongly encouraged to download the app for ease of drop off/pick up procedures and efficient communication. (see Procure<sup>®</sup> App Screen Guide below)

Changes or additions to the release form should be made by clicking [HERE](#). Procure<sup>®</sup> is not set up for parents to edit authorized individuals (or other personal information) so that the office has the most current information on file for your child.

## 9 GENERAL MUSEUM SCHOOL INFORMATION

### 9.1 Museum School Staff and Class Ratios

All staff have education, experience or degrees in early childhood, elementary or special education. Each teacher is CPR and First Aid certified.

Museum School class sizes range from 10 to 14 children. Classes have a 1:6 or 1:7 teacher to student ratio. Each class has two lead teachers.

### 9.2 Curriculum

Each week, Museum School class topics and activities for all ages change or build on each other, taking children on an exciting journey of investigation and discovery. ([see Appendix A: Curriculum Schedule](#))

**Three-Year-Old:** Three-year-old children become familiar with individual animals – what they look like, what they eat and the kind of homes they prefer. They soon learn the differences between mammals, reptiles, birds, insects and other animals. Children who are age three have the option to enroll in an extended-day class which integrates activities that complement and connect with the Museum School natural science and history curriculum.

Characteristics of a child in a three-year-old extended day class:

- \*A student who is able to remain in a group setting without parental assistance for an extended period of time.
- \*An independent child who is able to eat in a group setting, seated at a table.
- \*An inquisitive learner who finds joy in building, investigating, creating, and engaging in sensory activities.

**Four-Year-Old:** Four-year-old children discover how individual animals with similar characteristics are grouped into families. Their curriculum includes additional topics such as earth science, Native American cultures and early Texas settlers. Children who are age four have the option to enroll in an extended-day class which integrates engineering concepts through STEAM activities that complement and connect with the Museum School natural science and history curriculum.

**Five- and Six-Year-Old:** The five- and six-year-old class introduces the concept of habitats and the interdependence of all living things. Caves, deserts, forests, prairies and space are just a few of the exciting topics that reinforce the idea that there are many types of environments, all with their own unique features. Please note that children may attend this class for two consecutive years at age 5 and 6. The curriculum remains the same; however, children will benefit from repetition and will continue to learn new details the second year. Children who are age five and six have the option to enroll in an extended-day class which integrates engineering concepts through STEAM activities that complement and connect with the Museum School natural science and history curriculum.

### 9.3 Student Behavior

Museum School classes are designed for children who are able to remain in a group setting without parental assistance for an extended period of time without one-on-one assistance. *Museum School reserves the right to deny participation in classes and activities to children who exhibit persistent behaviors which prohibit classmates from engaging in an optimal learning environment or endanger themselves or the welfare or education of others.* The [Discipline and Guidance Policy of Fort Worth Museum School](#) is located on page 15 of this document. In signing the Enrollment Form, parents are confirming receipt and understanding of the Discipline and Guidance policy.

### 9.4 Conflict Resolution

In the event of a conflict or concern, families are encouraged to speak to their child's teacher. If an issue is not able to be resolved, the conflict should be brought to the attention of the Preschool Director. If necessary, a meeting may be scheduled to discuss a resolution.

## 9.5 Toilet Independence

The children's bathrooms are located in the classrooms. The toilets are child-size and have automatic flushers.

All children must be consistently toilet-trained and toilet-independent to be eligible for enrollment. The classrooms are not licensed or equipped for diaper changing; therefore, **pull-ups and diapers are not permitted**. Museum School classes are designed for children who can remain in a group setting without parental assistance, are toilet trained, and able to use the restroom without assistance. Parents will be called to pick up children in the event of a restroom accident. ([see Early Childhood Resources](#))

### **Toilet independence characteristics to consider:**

- \*A child is aware of the need to use the toilet and the time needed to get there.
- \*Clothing should allow children to pull clothes on and off independently. Buttons, belts, snaps and other fasteners can make the process difficult and lead to an accident.
- \*Children will wipe and take care of personal business independently at school. For the safety of your child and the teachers, children must be able to take care of personal hygiene.
- \*Washing hands is an important part of the process, and children should be able to lather fronts, backs and in-between fingers to wash well.

Children who consistently have restroom accidents while in class or who have not developed the ability to wipe themselves independently will be asked to work on independent toileting characteristics and attend class when they are able to attend successfully. A child will not lose their placement in the class. Refunds will not be given for classes missed.

## 9.6 Assessments

Due to the nature of Museum School as a developmentally appropriate, play-based science and history enrichment program, classroom teachers do not conduct social, academic or developmental assessments during the school year.

## 9.7 Clothing, Toys and Accessories

The engaging Museum School classrooms feature a multitude of learning and play materials. Children should be dressed appropriately for a preschool environment. For safety purposes and in order to fully engage in activities, please refer to the chart below.

Required	<ul style="list-style-type: none"> <li>○ Clothing that children can easily fasten and unfasten independently</li> <li>○ Underwear</li> <li>○ Shorts &amp; dresses that provide coverage</li> <li>○ Bloomers or shorts under dresses</li> </ul>
Highly Recommended	<ul style="list-style-type: none"> <li>○ Washable play clothes</li> <li>○ Closed toe shoes</li> <li>○ Tennis shoes (<i>Children in the Extended Day classes will benefit from wearing tennis shoes for Stretch-N-Grow.</i>)</li> </ul>
Discouraged	<ul style="list-style-type: none"> <li>○ Boots (<i>Exception: "Farm" week for Rabbit &amp; Raccoon Classes; "Cowboys" week for Frog &amp; Turtle classes; "Vaqueros &amp; Cowboys" week for Owl Class</i>)</li> <li>○ Baseball caps</li> </ul>
Prohibited	<ul style="list-style-type: none"> <li>○ Flip flops</li> <li>○ Dress up/novelty clothing</li> <li>○ Dress up shoes with a heel</li> <li>○ Shirts that expose a child's stomach</li> <li>○ One-piece rompers</li> <li>○ Toys and personal items from home</li> <li>○ Electronic devices</li> <li>○ Pacifiers &amp; bottles</li> </ul>

## 9.8 Water Play

Water play tables may be utilized in the Museum School classrooms. Children are required to wash their hands prior to and after supervised water table play. Parents are asked to sign a waiver prior to their child attending class.

## 9.9 Snacks and Drinking Water

Due to the short nature of the Museum School classes, Museum School will not routinely provide snacks for morning or afternoon classes. However, parents will be notified when a special snack, relevant to the weekly topic, is being served. Parents will provide a reusable water thermos/bottle.

Children should bring an 8-12 ounce **reusable thermos/bottle of CLEAR, UNFLAVORED WATER** to class each day, clearly labeled with the child's first and last name. Water bottles should be child size and easily accessible for the child to open independently.

**Children who will stay in an Extended Day class for lunch must bring their water bottle separate from their lunchbox.** Extended Day classes will have a designated snack time. Parents are asked to provide a snack in their child's lunchbox in a clearly marked "snack" (**disposable**) baggie/sack/container.

## 9.10 Lunch

**Lunch will be provided by each child's parent/guardian** for those children participating in the Extended Day classes.

- **All lunches must be free of peanuts and tree nuts.**
- Choking hazards, such as whole grapes, whole cherry tomatoes, popcorn, sliced hot dogs, and regular/jumbo marshmallows, are prohibited.
- Glass containers are not permitted.
- There is no refrigeration or heating of meals in a microwave; it is recommended that a cold pack be used in lunchboxes for foods that need to be kept cool.
- Children are encouraged to open containers independently. However, teachers will assist and/or cut the top off of a package as needed.
- As parents/guardians are providing the child's lunchtime meal from home, Museum School is not responsible for its nutritional value or for meeting the child's daily nutritional needs. Parents are encouraged to follow the USDA guidelines for providing milk and/or a dairy product.
- Lunch foods are limited to lunch time and should be an appropriate serving size for one sitting. Food that is not consumed will be disposed of and not returned home.

## 9.11 Birthdays and Treats

A child's birthday will be recognized on the day he or she attends that is closest to their birth date with a special birthday wish in the classroom. Favors of any kind are not permitted to be shared with other children in the class.

## 9.12 Animals

Health regulations require that no live animals – other than Museum animals, official guide/hearing/service dogs or registered animal therapy teams – may be in the Museum School building or classroom at any time. Museum School staff and children practice good hygiene and hand washing when coming in contact with a Museum animal and items used by that animal. Museum animals are required to have a statement of health from a veterinarian.

## 9.13 Halloween

Due to the nature of Museum School, Halloween costumes are not suitable.

## 9.14 Field Trips/Excursions

In order to support the Museum School Philosophy and Goals, Museum School classes will periodically walk into the Fort Worth Museum of Science and History exhibits to enhance the preschool curriculum. Teachers will walk their class into the Museum. As Museum School is a part of the Fort Worth Science and History Museum, transportation is not required. Parents/guardians are required to sign the Field Trip waiver in the beginning of school year paperwork.

The Museum School Owl Classes participate in an educational end-of-year field trip to the Botanic Gardens. Transportation is provided by each individual child's parent/guardian; a separate Field Trip Permission form is distributed and signed prior to the trip in the spring. As this is a special occasion for one parent to attend and learn with their child, parents are asked to find child care for siblings.

## 9.15 Partnership with TCU College of Education

For many years, the TCU College of Education and Museum School have collaborated in offering a field experience for TCU students. Students taking the Introduction to Early Childhood course at TCU attend Museum School one morning a week for approximately six weeks each fall and spring semester to gain experience teaching in an early childhood setting. This is an excellent opportunity for future teachers, Museum School, and for the children in our program. There is no better way to learn the principles of child development and developmentally appropriate practices than to be in a classroom where it is so competently demonstrated.

## 10 FIREARMS AND OTHER WEAPONS

Law enforcement officials and security officers commissioned by the Texas Private Security Board who are trained and certified to carry a firearm may have firearms or ammunition on Museum premises while on duty. For all other persons, firearms, hunting knives, bows and arrows, and other weapons are prohibited on Museum premises. (§746.3707 Texas Administrative Code)

## 11 GANG-FREE ZONE

As required by the Texas Department of Family and Protective Services, it is the responsibility of the Museum School under the Texas Penal Code to notify parents that any area within 1000 feet of a child-care center is a gang-free zone, where criminal offenses related to organized criminal activity are subject to harsher penalty.

## 12 PHOTOGRAPHY AND FILMING

Throughout the school year, Museum School staff (*designated as **we/our***) may take photographs and videos of your child, both in the classroom and at Museum School-sponsored events. We may use these photographs and videos, for example, at special events, in promotional publications, and on the Museum School and Fort Worth Museum of Science and History (FWMSH) websites and/or social media platforms. Therefore, as part of the admission process, we provide the option for parents/guardians (*designated as **I*** in the statements below) to enter into the following agreements as designated on the Enrollment Form.

**Promotional/Social Media/ Publications:** I agree that Museum School and its agents may take photographs or video of my child both in the classroom and at any Museum School-sponsored activity, and that Museum School may use these photographs for any legal purpose related to the internal or external promotional and informational activities of Museum School and the FWMSH, including publishing these photographs on any internal or external Museum School or FWMSH website or social media platform and in printed Museum School and FWMSH publications. Museum School and its agents will never identify a child by name in a publication, on a website or social media platform.

**Procare®:** I agree that Museum School and its agents may take photographs or video of my child in the Procare® app so that I can see my child participate in daily classroom activities. I understand that my child may be photographed engaged in activities with other children and those photos may be shared with other families in the classroom through the Procare® app. These photos are taken through the app and are not stored on any one individual's camera roll.

**School Photos:** I agree that my child may participate in class and individual photos. I understand that the photos will be available for purchase on a password protected website, available to all families whose child is in attendance on the day of my child's class. I understand that no purchase is required.

**Parents/guardians have the option to Agree or Disagree to have their child's photo taken for Promotional/Social Media/ Publications, Procare®, and school photos on the Enrollment Form.**

## 13 CLASS LISTS

Parents/guardians have the option to allow their child(ren)'s first and last name(s) and primary email address to be distributed to families in their child(ren)'s class(es) for play date opportunities, birthday invitations, etc. Parents/guardians will indicate their wishes on the Enrollment Form.

## 14 MUSEUM MEMBERSHIP

Museum School families may contact [membership@fwmsb.org](mailto:membership@fwmsb.org) to receive a 10% discount on a Fort Worth Museum of Science and History membership.

## 15 DISCIPLINE AND GUIDANCE POLICY

Discipline is individualized and consistent for each child, appropriate to the child's level of understanding and is directed at teaching self-control. Positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction will be employed.

Teachers utilize praise and encouragement for good behavior and will establish behavior expectations by using clear, positive statements.

There will be no harsh, cruel, or unusual treatment of any child and no child shall ever receive corporal punishment. If a child does not respond to redirection or guidance, a brief, supervised separation may be used, in combination with Conscious Discipline techniques. It is the goal of all Museum School staff members for children to have a positive social, emotional and educational experience. The Preschool Director and teachers will partner with families to meet the needs of each child. However; Museum School reserves the right to deny participation in classes and activities to children who exhibit persistent behaviors which endanger themselves or the welfare or education of others. Museum School follows the guidance and regulations set forth in the [Texas Administrative Code, Title 40, Chapter 746.2803 and 746.2805, Subchapter L, Discipline and Guidance \(pages 160-161\).](#)

***Parents/guardians recognize receipt of this Discipline and Guidance Policy on the Enrollment Form.***

## 17 INFANT SAFE SLEEP

Texas Health and Human Services Minimum Standards for Child-Care Centers requires families to be informed of safe sleep practices for infants from birth through 12 months. *Note: Infants are not age-eligible for the Museum School program.*

Form 2550  
September 2023

### Operational Policy on Infant Safe Sleep

This form provides the required information per minimum standards Sections 746.501(9) and 747.501(6) for the safe sleep policy.

**Directions:** Parents will review this policy upon enrolling their infant at NOT APPLICABLE TO MUSEUM SCHOOL and a copy of the policy is provided in the parent handbook. Parents can review information on safe sleep and reducing the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death (SIDS/SUIDS) at: <http://www.healthychildren.org/English/ages-stages/baby/sleep/Pages/A-Parents-Guide-to-Safe-Sleep.aspx>

#### Safe Sleep Policy

All staff, substitute staff, and volunteers at NOT APPLICABLE will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- Always put infants to sleep on their backs unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2427 and 747.2327].
- Place infants on a firm mattress, with a tight-fitting sheet, in a crib that meets the CPSC federal requirements for full-size cribs and for non full-size cribs [Sections 746.2409 and 747.2309].
- For infants who are younger than 12 months old, cribs play yards should be bare except for a tight-fitting sheet and a mattress cover or protector. Items that should not be placed in a crib or play yard include: soft or loose bedding, such as blankets, quilts or comforters; pillows; stuffed toys and animals; soft objects; bumper pads; liners; or sleep positioning devices [Sections 746.2415(b) and 747.2315(b)]. Also, infants must not have their heads, faces or cribs covered at any time by items such as blankets, linens, or clothing [Sections 746.2429 and 747.2329].
- Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [Sections 746.2415(b) and 747.2315(b)].
- Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [Sections 746.3407(10) and 747.3203(10)].
- If an infant needs extra warmth, use sleep clothing NOT APPLICABLE (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternative to blankets [Sections 746.2415(b) and 747.2315(b)].
- Place only one infant in a crib to sleep [Sections 746.2405 and 747.2305].
- Infants may use a pacifier during sleep. But the pacifier must not be attached to a stuffed animal [Sections 746.2415(b) and 747.2315(b)] or the infant's clothing by a string, cord or other attaching mechanism that might be a suffocation or strangulation risk [Sections 746.2401(6) and 747.2315(b)].
- If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2426 and 747.2326].
- Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [Sections 746.3703(d) and 747.3503(d)].
- Actively observe sleeping infants by sight and sound [Sections 746.2403 and 747.2303].
- If an infant can roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [Sections 746.2427 and 747.2327].
- Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [Sections 746.2427 and 747.2327].
- Do not swaddle an infant for sleep or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2428 and 747.2328].

#### Privacy Statement

HHSC values your privacy. For more information, read our privacy policy online at: <https://hhs.texas.gov/policies-practices-privacy#security>.

## 18 PARENT'S RIGHTS

In accordance with 746.501(25), a location will be provided within the school or museum for a mother to breastfeed her child. Parents have the right to breastfeed or provide breast milk for their child while in care.

Parents Acknowledge the receipt of Texas Health and Human Services Parent's Rights in signing that they have read, understand and agree to the 2024-2025 Parent Handbook.

Form 2987  
October 2023

### Parent's Rights

This form provides the required information per Chapter 42 of the Human Resource Code (HRC) Section 42.04271.

**Directions:** Parents will review these rights upon enrolling their child.

#### Rights of Parent or Guardian

**A parent or guardian of a child at a child care facility has the right to:**

- (1) enter and examine the child care facility during the facility's hours of operation without advanced notice;
- (2) review the child care facility's publicly accessible records;
- (3) receive inspection reports for the child care facility and information about how to access the facility's online compliance history;
- (4) obtain a copy of the child care facility's policies and procedures;
- (5) review, at the request of the parent or guardian, the facility's:
  - (A) staff training records; and
  - (B) any in-house staff training curriculum used by the facility;
- (6) review the child care facility's written records concerning the parent's or guardian's child;
- (7) inspect any video recordings of an alleged incident of abuse or neglect involving the parent's or guardian's child, provided that:
  - (A) video recordings of the alleged incident are available;
  - (B) the parent or guardian of the child does not retain any part of the video recording depicting a child that is not their own; and
  - (C) the parent or guardian of any other child captured in the video recording receives written notice from the facility before allowing a parent to inspect a recording;
- (8) have the child care facility comply with a court order preventing another parent or guardian from visiting or removing the parent's or guardian's child;
- (9) be provided the contact information for the child care facility's local Child Care Regulation office;
- (10) file a complaint against the child care facility by contacting the local Child Care Regulation office; and
- (11) be free from any retaliatory action by the child care facility for exercising any of the parent's or guardian's rights.

I acknowledge I have received a written copy of my rights as a parent or guardian of a child enrolled at this facility.

## 19 ACKNOWLEDGMENT AND WAIVER

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state and local governments and federal and state health agencies recommend social distancing and have put guidelines in place to mitigate the spread of COVID-19.

Museum School has preventative measures in place to reduce the spread of COVID-19; however, the Fort Worth Museum of Science and History and the Museum School cannot guarantee that your child(ren) and/or your family will not become infected with COVID-19. Further, attending Museum School could increase the risk of you and/or your child(ren) contracting COVID-19.

By signing this Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19 ("Waiver"), I, for myself, and on behalf of my child(ren), acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that by my child(ren) attending Museum School, I, my child(ren) and/or those individuals on my Child Release/Emergency Contact list may be exposed to and infected by COVID-19, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at Museum School may result from the actions, omissions, negligence, or gross negligence of me, my child(ren) and others, including, but not limited to, Fort Worth Museum of Science and History and Museum School employees and Museum School participants and their families.

I, FOR MYSELF, AND ON BEHALF OF MY CHILD(REN), VOLUNTARILY AGREE TO ASSUME ALL OF THE FOREGOING RISKS AND ACCEPT SOLE RESPONSIBILITY FOR ANY INJURY TO ME AND MY CHILD(REN) (INCLUDING, BUT NOT LIMITED TO, PERSONAL INJURY, DISABILITY, AND DEATH), ILLNESS, DAMAGE, LOSS, CLAIM, LIABILITY, OR EXPENSE, OF ANY KIND, THAT I OR MY CHILD(REN) MAY EXPERIENCE OR INCUR IN CONNECTION WITH MY CHILD(REN)'S ATTENDANCE AT MUSEUM SCHOOL ("CLAIMS"), HOWEVER CAUSED AND WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OR GROSS NEGLIGENCE OF THE RELEASED PARTIES (AS HEREFTER DEFINED). I, FOR MYSELF, AND ON BEHALF OF MY CHILD(REN), HEREBY RELEASE, COVENANT NOT TO SUE, DISCHARGE, AND HOLD HARMLESS THE MUSEUM SCHOOL, ITS DIRECTORS, OFFICERS, EMPLOYEES, AND REPRESENTATIVES ("RELEASED PARTIES"), FROM THE CLAIMS, INCLUDING ALL LIABILITIES, CLAIMS, ACTIONS, DAMAGES, CAUSES OF ACTION, COSTS OR EXPENSES OF ANY KIND ARISING OUT OF OR RELATING THERETO, HOWEVER CAUSED AND WHETHER CAUSED IN WHOLE IN PART BY THE NEGLIGENCE OR GROSS NEGLIGENCE OF THE RELEASED PARTIES, AND WHETHER A COVID-19 INFECTION OCCURS BEFORE, DURING, OR AFTER PARTICIPATION IN ANY MUSEUM SCHOOL PROGRAM.

By my signature, I agree, acknowledge and consent that this Waiver is fully enforceable, and is binding upon me and my and my child(ren)'s legal representatives, heirs, administrators, guardians, executors, successors and assigns. This Waiver is irrevocable and is binding immediately upon execution and cannot be modified, amended or limited unless agreed upon in writing by me and the Fort Worth Museum of Science and History. In the event any provision or part of this Waiver is found to be invalid or unenforceable, only that particular provision or part so found, and not the entire Agreement, will be inoperative. By executing this Waiver, I acknowledge that I have read the foregoing and fully understand the terms and consequences of the Waiver.

***Parents/guardians recognize receipt of this Acknowledgment and Waiver on the Enrollment Form.***

## APPENDIX A: CURRICULUM SCHEDULE

The following curriculum topics and order of study are subject to change.

### Museum School 2024-2025 Curriculum Topics

Date	3-year-old classes	4-year-old classes	5- & 6-year-old class
	Rabbits & Raccoons	Frogs & Turtles	Owls
August 27-30	Meet the Teacher		
September 3-6	First Week of Class: Welcome to Museum School		
September 10-13	Rabbit	Body	Oceanography
September 17-20	Skunk	Brain	Oceanography
September 24-27	Opossum (SL)	Fish/Shark	Prairie
October 1-4	Fish	Sea Mammals	Prairie (SL)
October 8-11	Bat	Small Rodents	Speleology: Cave
October 15-18	Spider	Large Rodents (SL)	Cave
October 22-25	Snake (SL)	Bears	Urban (SL)
October 29 – November 1	Squirrel	Ringtails (SL)	Urban
November 5-8	Armadillo	Weasels	Lone Star Dinosaur
November 12-15	Bobcat	Canines (SL)	Lone Star Dinosaur
November 19-22	Turkey	Felines	Geology: Mountains (SL)
November 26-29	-----Thanksgiving Break-----		
December 3-6	Deer	Ungulates	Forest I
December 10-13	Tree	Small Reptiles (SL)	Forest II (SL)
December 16-January 3	-----Winter Break-----		
January 7-10	Coyote	Large Reptiles (SL)	Anthropology: Vaqueros & Cowboys
January 14-17	Lizard	Prehistoric Animals	Astronomy: Space
January 21-24	Dinosaur	Simple Machines	Astronomy: Space
January 28-31	Farm	Cowboys	Planetarium
February 4-7	-----Stock Show Break-----		
February 11-14	Prairie Dog (SL)	Space	Engineering 101
February 18-21	Earth, Moon & Sun	Planetarium	Meteorology: Weather
February 25-28	Planetarium	Backyard Birds	Ecology
March 4-7	Alligator	Birds of Prey	Ecology
March 11-14	Raccoon (SL)	Texas Settlers	Desert (SL)
March 18-21	-----Spring Break-----		
March 25-28	Fox	Rocks & The Rock Cycle	Desert
April 1-4	Bee	Decomposers	Biology: Pond (SL)
April 8-11	Bird	Water & The Water Cycle	Pond
April 15-18 (Open House)	Ladybug	Amphibians (SL)	Wildflowers & Pollinators
April 22-25	Owl	Botany	Nature's Builders
